

North Little Rock Centennial Art Walk

April 30th 2004 - Main Street in North Little Rock

Organized by: **Argenta Public Arts**

The Argenta Public Arts is devoted to the revitalization of downtown Main Street in North Little Rock through the arts. The group has sponsored five Art walks, two gallery talks, and three art auctions. These events have brought people into the area and have renewed interest in Main Street as a viable place for business. This exhibition is intended to bring a new energy to Main Street. What better way to celebrate our Centennial than with an art walk featuring the work of students from the North Little Rock.

EXHIBITION: Ten to twelve art objects per grade level (K-12) approximately 150 objects will be exhibited in the show. Teachers are encouraged to provide students with ideas, which reflect the spirit and history of North Little Rock's Centennial celebration. These ideas can assist students in creating their art works to commemorate this day, past and present. The art will be exhibited in businesses along Main Street from April 30 - May 17, 2004. This will be a juried show in which ribbons will be given for the 1st, 2nd, and 3rd place winners of each grade as well as other awards. Savings bonds will be awarded to winners in certain categories. Awards to be presented at City Hall, April 30th at approximately 6:00.

SELECTION OF EXHIBITION: The members of the Argenta Public Arts will judge all entries. The group is composed of architects, artists, teachers, professors, and local business owners.

ELIGIBILITY: Open to all students in the North Little Rock Schools grades K-12 and all students residing in North Little Rock but attending Little Rock Schools - public and private. Work must have been done under the supervision of an art teacher and/or a regular classroom teacher. Work must be original - that is, not copied or reproduced from published materials, or any other artwork. Each school may submit one piece of art per student. Not all grade levels need be represented. Group projects may be submitted as a single entry for the average grade level of the students.

MEDIA: Works will be accepted in all media - including drawing, paintings, prints, photographs, collage, crafts, and sculpture created by individual students or groups. Three dimensional and large-scale works are welcomed, but due to limited space, we do have size restrictions. If you have questions please contact Alberta Pearson at 565-8907 after 5 p.m.

MATTING and FRAMING: All works on paper should be matted with standard WHITE mat board or poster board. This eliminates damage to the artwork. Each matt should have a two-inch border. All works must have a sturdy backing, such as cardboard, to aid in handling and hanging. For simple instructions on matting go to <http://www.therockaway.com/AT-Matting.html>

HOW TO ENTER: Complete one entry form per school. List each entry. Please print and check spelling of names and titles. Complete one Identification Label per entry. Photocopy the identification label, which is the next page. Attach the label to the upper right corner of the back of each work, secure to sculpture as appropriate. List names for group projects on a separate sheet and attach to entry form. Drop entries off at AM Architecture, 401 Main Street, NLR by 5:00 p.m. Thursday, April 15th. **It is imperative that labels are completely filled out as well as the entry form. We use these to make labels and to make sure the work is properly returned.**
